Bring family and friends!

WHAT TO DO ONCE YOU ARRIVE:

When you arrive at Event Eve, you want to go straight to the **Volunteer Check-In Table**. You will then sign-in, collect your Volunteer T-shirt and be directed to your station.

WHAT TO BRING:

Storage space is extremely limited, so bring a small bag that you can easily keep with you. There will be many people flowing in and out of the area, so please do not bring anything valuable as we cannot be responsible for anything lost or stolen.

All Volunteers (with the exception of Set-up morning Volunteers) will be provided with dinner between the hours of 3:30PM and 8:00PM. You will receive a meal ticket and directions when it is time for your break. We try to let everyone know what time their dinner will be, but please remember it is subject to change and we ask that you be flexible. We will also have snacks and water available for you at the Volunteer Check-In Table.

WHAT TO WEAR:

Many of you will either be on your feet or moving around all day long, so please dress comfortably. You will get one volunteer t-shirt that you should wear during your shift.
